# The Commencement

Once upon a time by the hills of Tuladega 'neath the southern skies, the city of Henryetta proudly opened her first school. Education began in the home of Mrs. George Clarke in 1900 with 13 students. The community urged her to teach their children. After the Clarke family left town in 1902, the school was taught by

volunteers. Our school then moved to the corner of Division and 4th in a four-room stone building awaiting the construction of an official building. Opening its door on October 24, 1904, the official school taught grades 1-12. The first high school was completed in 1905. It operated for two years. Then the Lyceum building was built

over and around the original four-room schoolhouse. This housed grades 1-12 and was one of the most modern schools in the state graduating the first class of Henryetta in 1910. The present high school was completed in 1963.

This, the 1983-84 school year, opens

like those of the past with the sense of a new beginning. The senior class must take charge and lead the underclassmen during the course of the year by setting examples of maturity, spirit and pride. It is just another year in the course of Henryetta High.

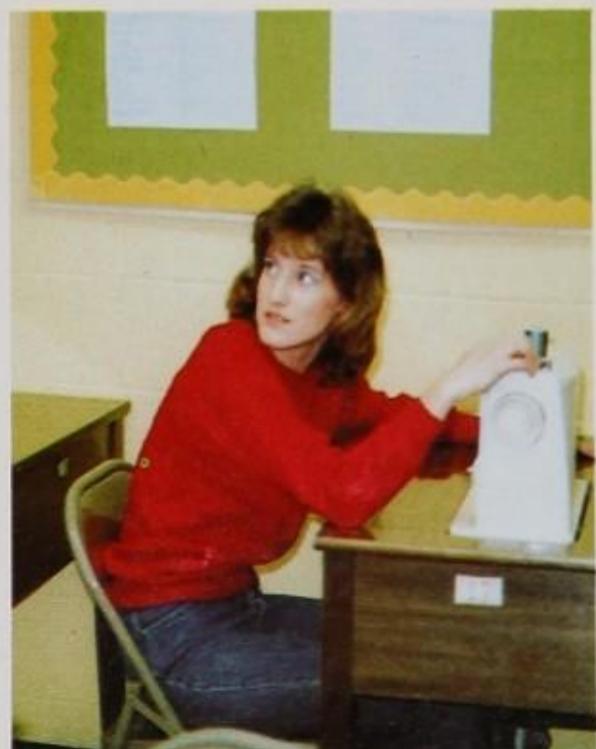

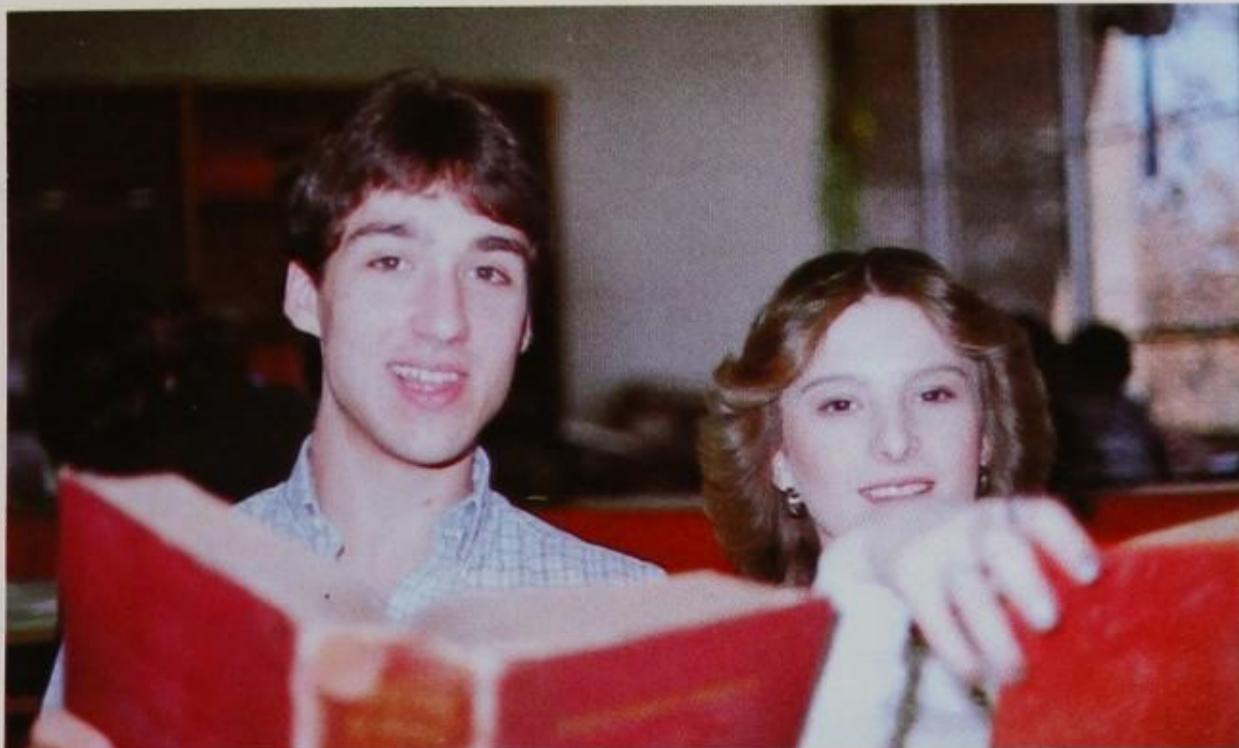

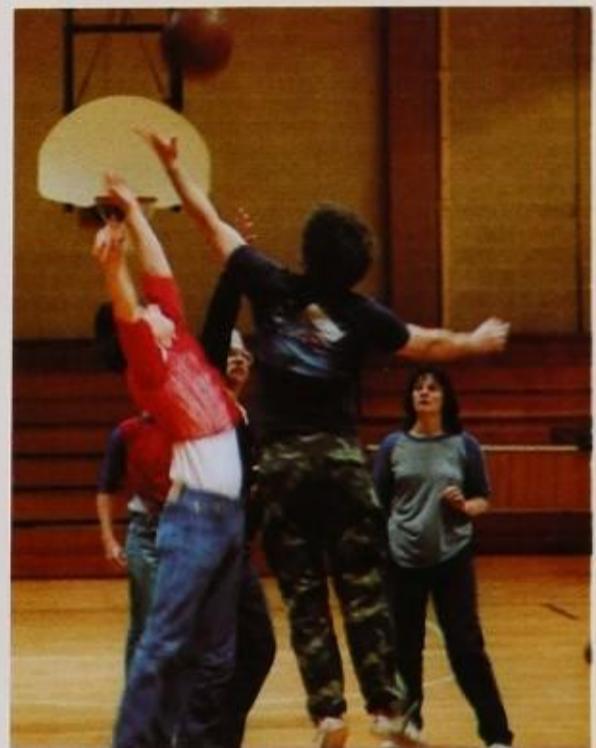

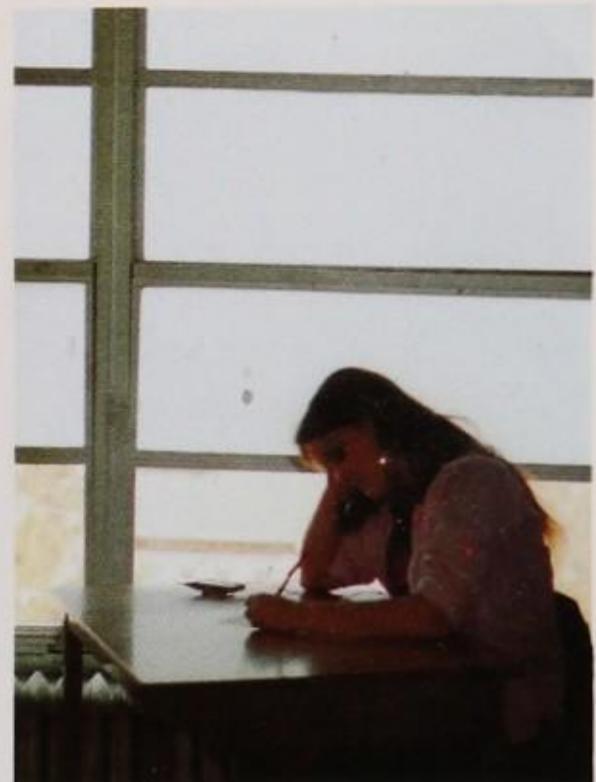

↑Seniors Anji Brassfield, Hallie Ruth, Joe Goodner, Jimmy Berry, Brad Wion and Troy Aikman have a group study during physics.

↓Are Brain Woodliff and Missy Collett really reading those books?

⇒Intramural basketball can be both fun and hazardous as players Donnie Williams, Jon Sawyer and Tammy Treadway are about to find out.

⇒↓Vicki Remington looks to Mrs. Jane Woodliff for assistance in Home Economics III.

# Labor Day and Homecoming Zealously Open a New Year

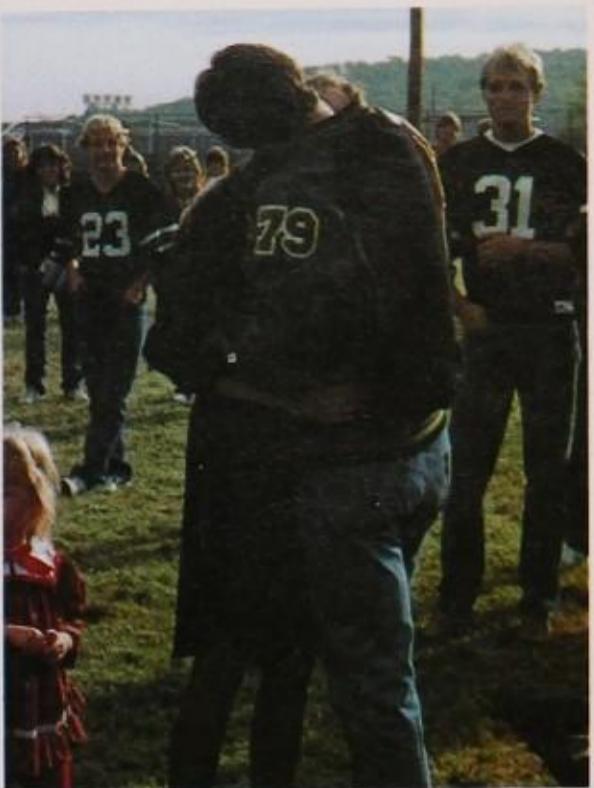

The 1983-84 school year began swiftly with numerous activities. Labor Day came on September 5, and many students participated in the festivities of the day. Labor Day started with a parade in the morning. The Henryetta Band led the parade. The Future Homemakers of America and the Vocational Industrial Clubs of Amer-

ica also participated in the parade. The sophomore class ran a coke wagon to raise money for the 1984-85 junior/senior prom. The football coronation was also held at the first of the year on October 7. Before the game, Shelli Dombek was crowned queen by King Jimmy Berry.

 on the xylophone.  
 ⇢↔Scott Mosco and Lori Robertson practice on their trumpets at Cameron Stadium.

# Henryetta Takes Pride In Winter Sports

Athletics is a major part of school life. Among the sports Henryetta excels in are winter sports such as basketball and wrestling. Both of the HHS basketball teams had excellent seasons this year. Along with HHS basketball Henryetta also boosts many successful wrestlers and junior high basketball

teams.

As the year passed along with the last games of the season athletes realized that it's not so much the winning that mattered. It was the friendships we made and the memories we shared that stand out as we recall our high school year of '83-'84

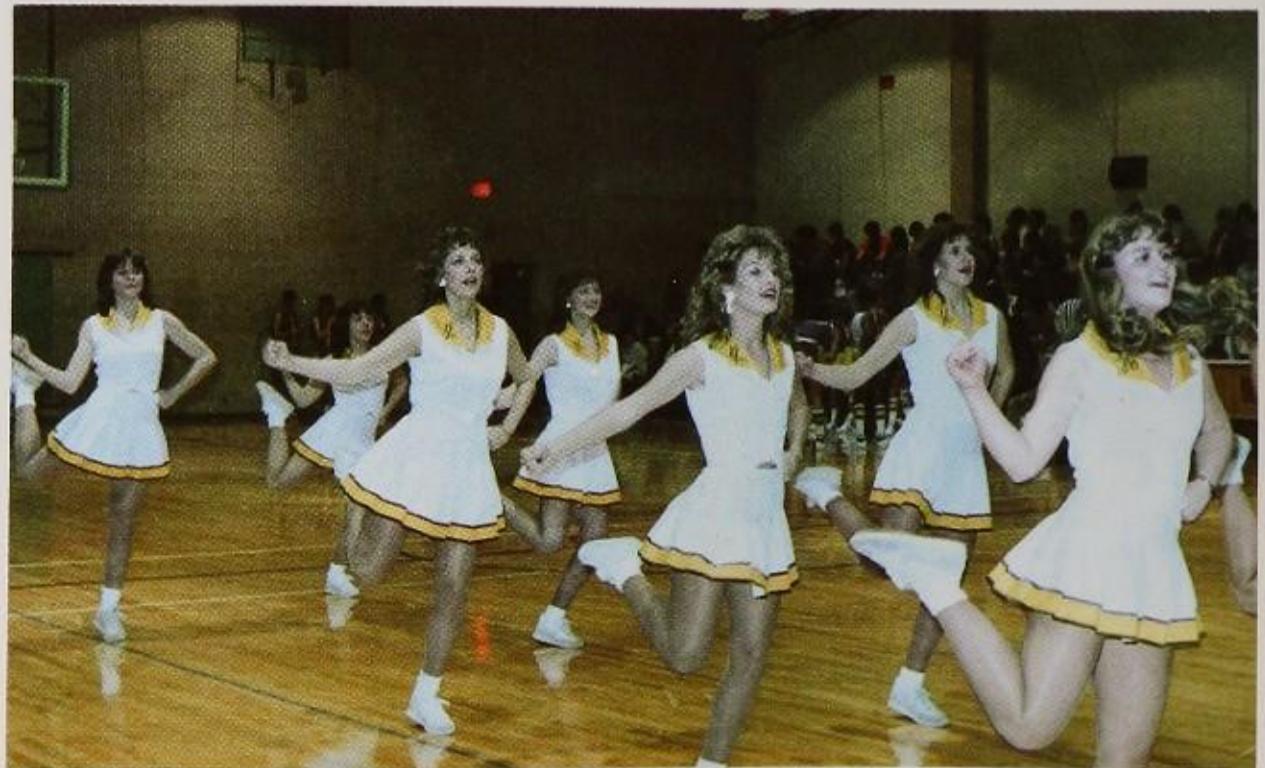

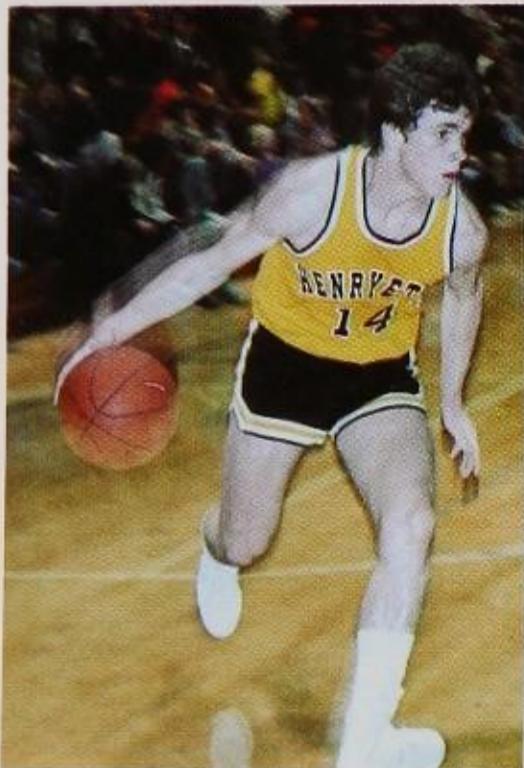

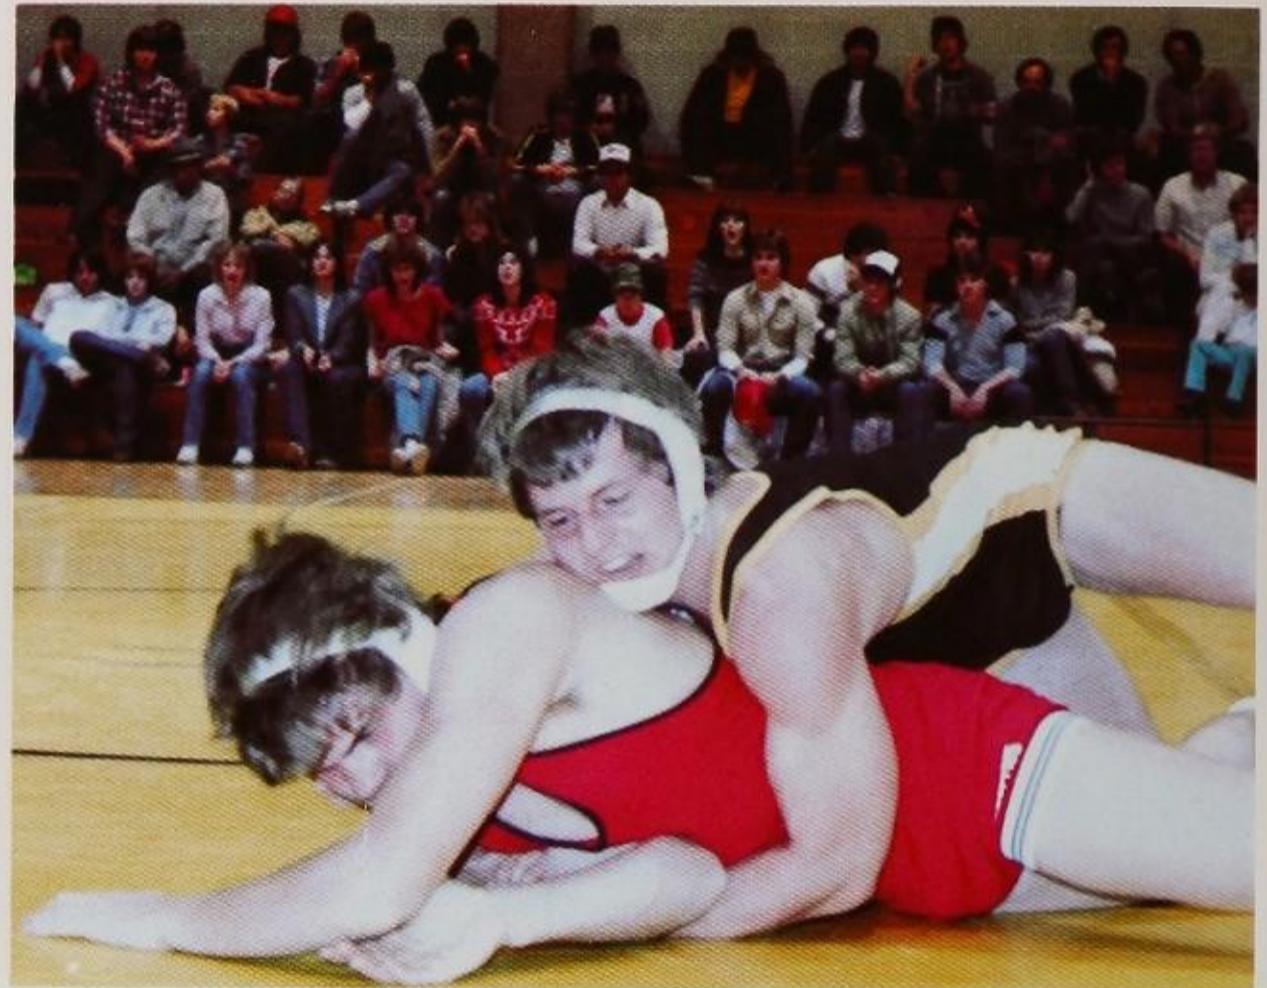

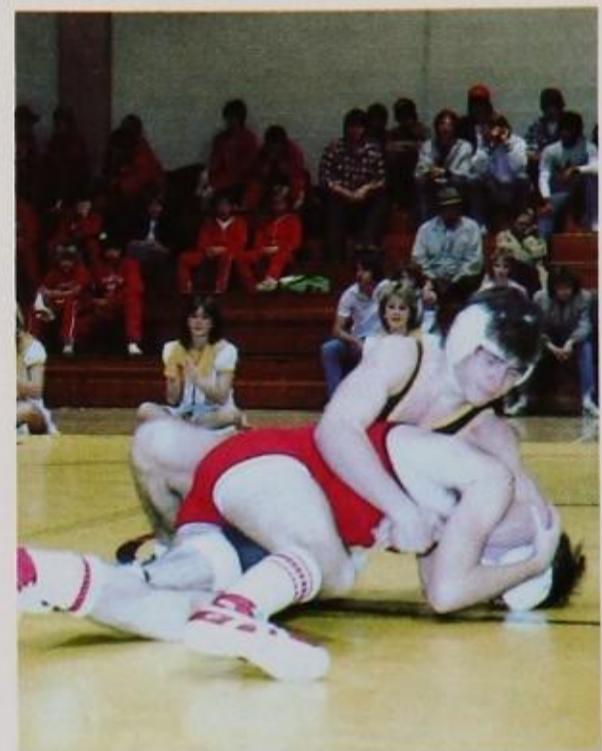

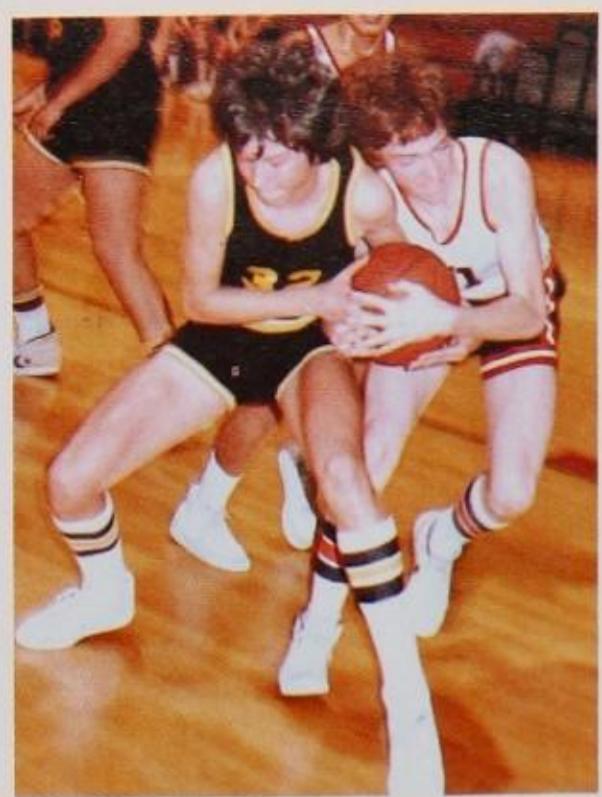

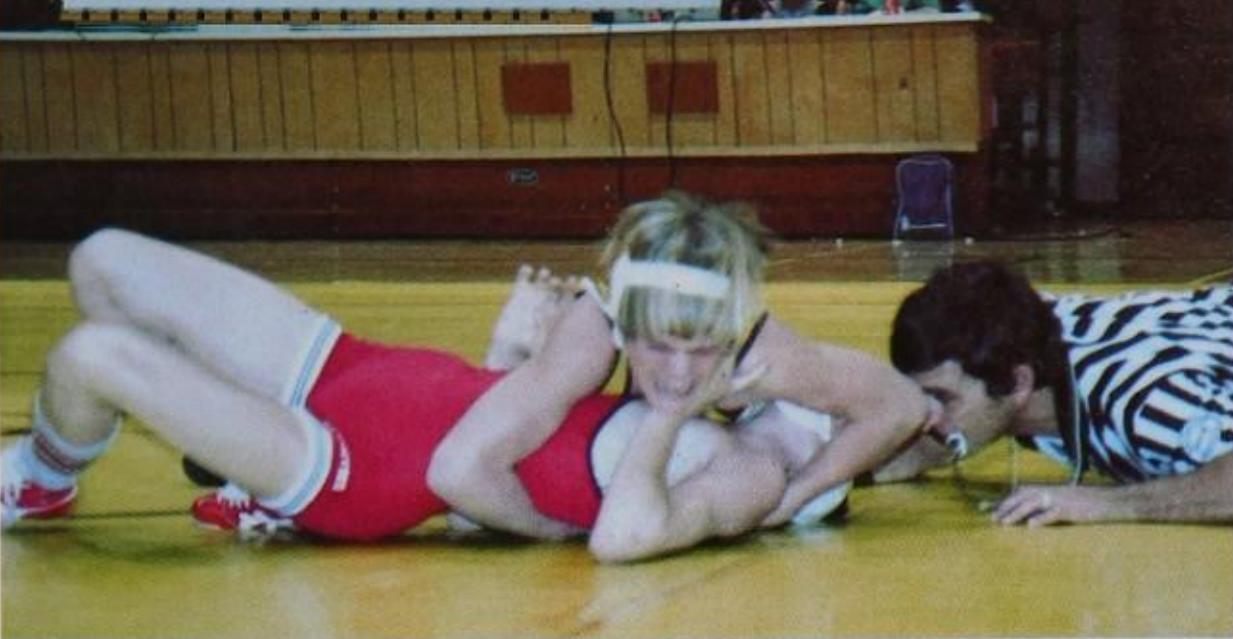

↑Senior Sheri Palmer tightens her defense against a Weleetka adversary.

→Ricky Lillard overpowers his opponent at a home match.

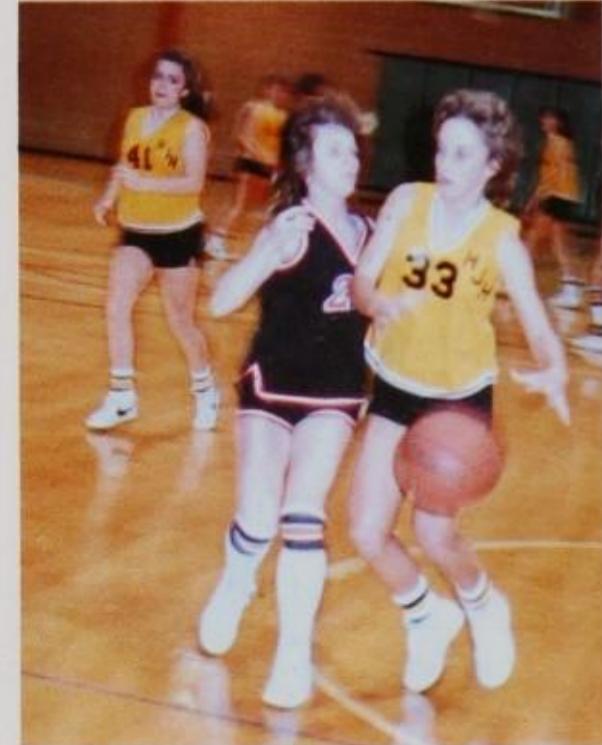

↓Junior Paul Patrick displays his speed and handling skills.

↓→HHS cheerleaders do the crowd pleaser "Hey Gang" during a time out.

↑↑Junior high wrestler Kevin Williamson attempts to pin the McLoud adversary.  
↑→Freshman Jerry Rivers fights to obtain the basketball.  
↑Coach Wiley Ryal works on team strategy between quarters.  
→Senior wrestler Ronnie Coe maneuvers his opponent into a cross body ride.  
↓Forward Anji Brassfield works her defender as teammate Laura Smith looks on.

# Combination of Effort Brings All-school Musical Success

"Lumberjacks and Wedding Belles", this year's all-school musical was presented December 2 and 3. Director, Mrs. Alberta Johnston said, "This is the easiest play overall I have worked with." Art teacher, Mr. Jon Johnson stated, "We had a good time doing the artwork," and, "the volunteers that helped me really

worked hard to make it look good." Band director, Mr. Jim Peirce said, "The music was a necessity to the play and the actors did a great job in bringing it out well." The musical was a combination of effort between Mrs. Johnston, actors, stage hands, the band and art department.

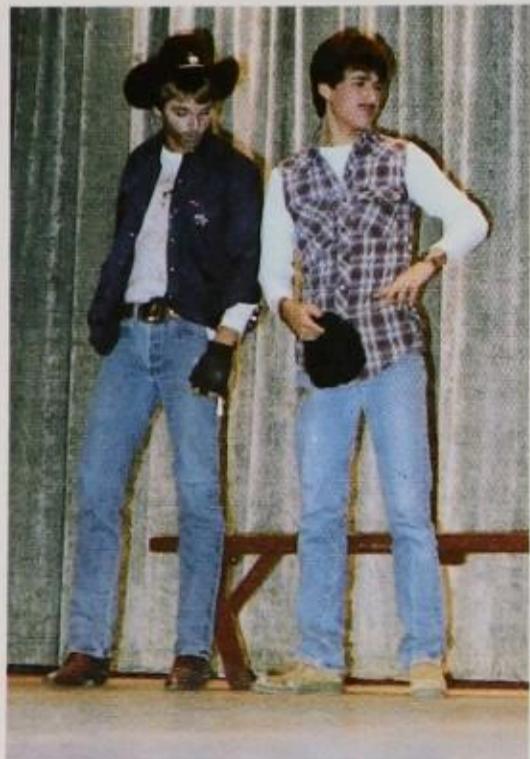

↑Misti Waldroop prepares to sing "Could You Love Me".

↔Some spectators wait for the outcome of the trial of Asa Mercer.

↓Abraham, Brian Wodliff, discusses the fate of the belles with the deputy, Joe Goodner.

↓↔The villians of the play are the Scrubbs: Brad Wion, Shelley Thomas, Melanie Beaty and Hallie Ruth.

nce upon a time by the hills of Tulladega 'neath the southern skies, the city of Henryetta proudly opened her first school. Since the beginning of Henryetta High School, the largest CLASS of graduating seniors was the class of 1965 with 147 grads. They were also the first class to graduate from the present-day high school building. Henryetta at that time had three foundries, seven coal mines and the Pittsburg Plate Glass Company. With the demise of these industries, the enrollment began dropping. In the early 1980's we had our lowest recent enrollment, but now in 1984 our enrollment is again rising.

# Juniors Strive for Success

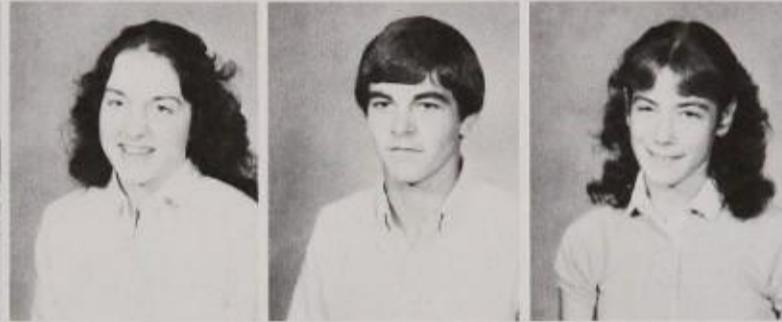

The juniors of '84 set an outstanding example for the underclassmen this past year. They were always willing to participate in any school event. This year's highest achievement for the juniors was the winning of the float contest with a float entitled "Burning Down the House". Throughout the year the juniors have been very active in sports and school activities. The juniors were encouraged by their sponsors Mr. Carl Parks, Mr. Rick Enis, Ms. Susie Kelch, Mr. Jack Bedford, Mr. Joe Machetta and Mr. Dutch VanDenBorn.

The sophomores of 1984 are one of the hardest working classes to ever come through the high school. They are a very energetic and enthusiastic class who excel in sports as well as academics. During the week of the football homecoming, they took first place in the spirit chain contest by collecting the most money and came in second place in the poster contest. At the Labor Day festivities, they were already on the move holding a concession stand to raise money. A class sponsor commented that they didn't waste any time in earning money. When they saw a chance to earn money, they went to it. The sponsor also said that their goal was to raise enough money for the prom of '85 while they are still sophomores.

# Freshmen Proud and Powerful

The freshmen class of 1983-84 are a small but very proud group of students. They have pride in their school, their athletics, and their class. These students have gone all the way to show their spirit and enthusiasm. The freshmen class is a close knit group. They back each other in all activities in which they participate whether male or female. They also ban together to give support to the other grades at junior high. The teachers have discovered that the freshman class is a cooperative group overall and hard workers. The freshmen are also a powerful group. Their football team demolished all competition, ending their season 7-0. The freshman cheerleaders showed they were powerful too. They went to summer camp where they received nine ribbons and placed fourth in the grandchampionships. When the freshman class leaves their third floor domain at HJH, they will lock in their minds the memories of the pep rallies, the games, the assemblies, the faculty and the students, the rushing and frolicking between class changes, but most of all, they will remember the school and their year as the "Mighty Freshmen".

This year's group of eighth grade homo sapiens certainly has serendipity. A quote that really defines the personality of the class is "seek and you shall find." As a group this class is very lively. They are hard working, outgoing, enthusiastic and downright fun to be around. Some are error conscious and will learn from their mistakes. On the football field their team gives 100% even if the score is not in their favor. The record stands at 5-3. Last summer the eighth grade cheerleaders attended camp at Tulsa University. In the final day they won a trophy for the best overall improvement. These six girls are examples of the outstanding members of the eighth grade class of 1983-84.

The seventh grade class of 1983-84 has undergone the transition from elementary to junior high, and has met the new environment head on. When the seventh grade started the year, they were energetic about the freedom they held and the privileges they gained. This year's seventh grade class is a small one with just over 100 students enrolled. Many of the students are actively involved in athletics or some other type of physical education. The students this year are inexperienced about the rules and customs of the junior high, but after this year they will have learned most of the traditions and special dates that occur during their very memorable and youthful junior high years.

Once upon a time by the hills of Tulladega 'neath the southern skies, the city of Henryetta proudly opened her first school. In the early history of HHS, there were very few **ORGANIZATIONS**. These included: boys and girls glee club, journalism, the pep club group called the Fryers and the annual staff which produced a yearbook called *The Pigeon*. Today, however, there is an organization for almost every person's want and need. Organizations are an integral part of every school's curriculum and Henryetta is no different. Organizations play a major role in preparing students for later life. Although once few in number, organizations are growing and thriving at HHS.

# Members Work Hard to Better NHS

This year's National Honor Society was a highly involved group of thirty students. They sponsored a number of fund raisers. The members collected over \$150 from fellow students and fans at one of the home football games to donate to the United States

Committee for UNICEF. Also, the members sponsored both the horror movie "Psycho" for the student body and a car wash at Ken's Pizza. One of the goals that the National Honor Society hoped to accomplish this year was to raise enough money to give a

small scholarship to one of its senior members. Although the National Honor Society may have started late in the school year, they worked hard to better their group.

# OHS Members Deserve Honor

The Oklahoma Honor Society is a prestigious group which is made up of the top 10% of both the junior high and high school student body. The students worked hard to achieve and keep the grades necessary to be in the Oklahoma Honor Society. The basis

for entry into this honor society is the grade point average that the student earned during the second semester of the previous year and the first semester of the present school year. The high school had 33 students who met the requirements and were

accepted into the Oklahoma Honor Society. The junior high had 32 students that were recognized. These students deserve the honor of being a member of the Oklahoma Honor Society.

# "Band of Gold" Keeps on Playing

The 1983-84 Henryetta High School "Band of Gold" has decreased in size by almost one half from last year's band. This year's band is also under the leadership of a new band director, Jim Pearce, and a new assistant band director, Wade Robertson. But

neither the decrease in size, nor the new directors have stopped the band from playing on strong. The band seems to have come together to form a solid, unified sound both in marching and in concert. They work out a drill or a section of music until

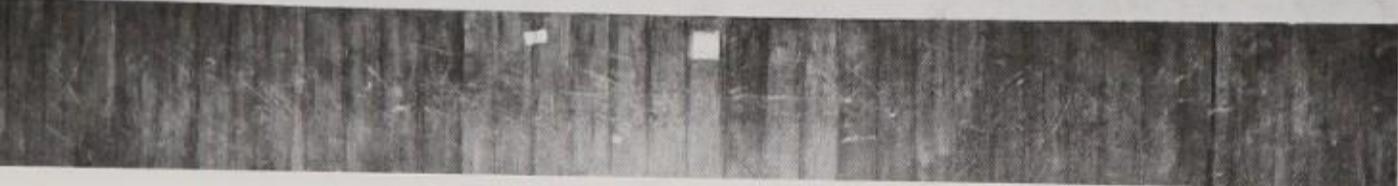

they feel it is presentable. The band members work together for the improvement of the group. No matter what comes their way, the "Band of Gold" keeps on playing.

# Vocalists Achieve Superior Ratings

The vocal music class has had a very hectic and fulfilling year. In October, they attended a contest held at East Central University. They followed this with a trip to Oklahoma State University in November for a choir clinic. On March 2, the group went

to a contest at Northeastern State University where they received an excellent rating. Also, 10 individuals received a superior rating at District contest and advanced on to State competition where only one member received a superior rating. Amid the

rush of contests and clinics the choir prepared two concerts for the public. Director Jim Pearce commented, "The vocal music class has been doing a lot of exciting stuff."

# Student Council Breaks up Routine

The student council for the high school and the junior high remained active throughout the year by boosting school spirit and pride. To support school spirit student council members chose many different dress up days such as Black-n-Gold, Halloween,

punk and camouflage days just to name a few. During homecoming the student council sponsored different contests such as hall, car, float and poster decorating contests. In order to put pride in our schools, the student council showed movies and provided

community services. A 3-d movie was shown at the high school for the first time and at Christmas the organization made up food baskets which they donated to the needy.

# Speech and Debate Teams Progress

Speech team members and debaters had an active year attending various qualifying tournaments. Ten team members qualified for Regionals at Jenks. Two students, Tiffani Stroope and Stephen Palmer, qualified for State at Edmond.

This year was also a year for new things. Henryetta began their first debate team in nearly forty years. The 21 member speech team and 5 member debate team added excitement and spirit to HHS by selling Bunny Grams at Easter.

To complete a successful year the speech class presented a play to the HHS student body entitled "The Liberated Cinderella". The program was a triumph and an excellent conclusion to a year of hard work and strenuous competition.

# Office Aides Serve School

Office aides serve as assistants to the secretarial staff, therefore most of their duties are clerical in nature. Their duties may vary. One aspect of being an office aide is serving as a public relations person for our school.

Many times the only contact a person may have with our school is either by visiting the office in person or calling the office by telephone. The impression this person has of our school may be determined by the office aide they

talk to at that time. All of these duties are taken into consideration. The students that the office personal feel can accomplish these duties most effectively are selected. They receive  $\frac{1}{2}$  credit for the entire year.

↑↑High School Office Aides: Mr. Martin, principal, Carolyn Sweet, Johnna Drummond, Hallie Ruth, Laura Smith, Kim Reeves, Tena Page and Ginger Rowe.

# Librarians Give Essential Service

The school library is a basic requirement for quality education by encircling all parts of the educational process. Our library's key word is "service". The librarians have many duties to perform. The students begin the year by learning the Dewey

Decimal System which is used to classify books in order. Aides check books in and check books out to students. They type records of catalog cards, file catalog cards, assist students with their books and keep the library in order. The junior high

library shows films that they set up and run in the library for classes. The library accommodates all of the school and the librarians help the students with their literary needs.

# Journalists Show Creativity

The Journalism class was made up of seven very capable students. The students used their ability in creativity in each paper produced. They attended Journalism classes at Seminole Junior College to learn new techniques for the paper. They also

attended Press Day at Northeastern State University where they received nine awards in class A mimeograph. The newspaper also received a 1st place award with special merit in the American Scholastic Press competition. Henryetta competed against 30

others and it was the only 1st place with special merit won. These were the most awards received by the Journalism class during Miss Joyce Jenkins' teaching career at HHS.

# Annual Staff Wins at Contest

The 1983-84 annual staff consisted of eleven members. Each member was selected on his/her English and typing abilities. The annual staff had four deadlines to meet by the end of the school year. The first deadline was missed due to bad weather. The staff

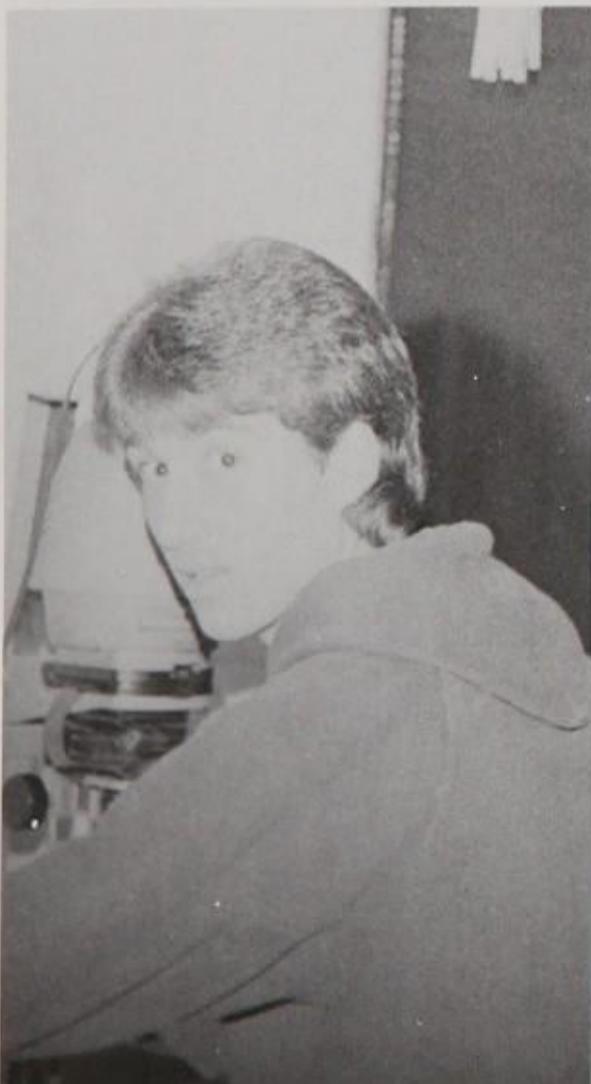

attended classes at Seminole Junior College to learn more about the structure of the annual. They also attended Press Day at Northeastern State University where the 1983 annual received 3rd place. The 1983 annual also received 1st place in the

American Scholastic Press competition. The staff was a dedicated group who contributed many long hours. They worked hard to make this annual better than the rest.

# VICA Has Busy Year

Henryetta High School's VICA members had many activities this year to raise money. Labor Day, they had a sno-cone stand at Cameron Field during the annual activities. They also sold hot dogs at the First National Bank car show and again sold the

Blue and Gold sausage as a fund raiser. The main purpose of the fund raisers was to hold an annual Employer Appreciation Banquet to show the employers of the VICA students how much gratitude they have for them. The rest of the funds

were for their trip to "Worlds of Fun" in Kansas City, Missouri. One of their most outstanding accomplishments was when they won fourth place in the North Central District Opening and Closing contest.

# Young Carpenters Meet Challenge

This year's Henryetta Carpentry Class started the year with twenty-three students enrolled in the two, three hour classes taught by Mr. Ron Gaskill. The classes consist of six seniors, three juniors and fourteen sophomores. Their project for this

year was a 1500 square foot all cedar house with three bedrooms and two baths. It also has a fireplace. The location of the house is just south of the high school. The students in the carpentry class were young, but picked up the skills necessary to be a

carpenter in no time at all. The carpentry class is set up here to prepare students who plan to pursue the trade of carpentry as a career.

# FHA Sponsors Fund Raising Projects

The Future Homemakers of America began the 1984 year with "Red and White" Week. During the week, they had activities to become acquainted with each other and ended the week with a picnic at Nichol's Park. In November, the FHA went to Tulsa for

a skating party. To raise money the FHA held a cookbook sell and made \$700 which they used for the FHA Convention, Sub-district rally and leadership meeting, March of Dimes, Lions Club and their Christmas party. Along with social and fund raising

activities the organization also had various meetings throughout the year. April 6 and 7 the FHA went to Oklahoma City for the State Rally. The FHA's theme this year is "Believe the Best Is Yet to Be."

# HHS Pep Club Makes New Start

The 1983-84 school year brought on many changes for the HHS pep club. The pep club consisted of 46 members, plus the sponsors, Ms. Jean Froman and Ms. Pat Morton. At the first of the year, every person interested in the pep club was given

a list of rules. Although many prospects dropped out, the strong and enthusiastic ones remained. During the year, the members displayed their spirit at all games that were attended. The pep club cheered the athletes on and boosted their morale up to the

time of victory. They also set up all pep assemblies and participated in entertaining the student body. They also participated in decorating the halls and in the homecoming coronation ceremonies.

# HJH Pep Club Leads With Spirit

The HJH pep club consisted of 75 spirited members. The pep club officers were elected by vote. The candidates were required to campaign for a position and then present a speech to the HJH student body. The pep club sponsored many fund raisers

this year. They held the "Mr. Legs" contest where Coach Kent Lackey was the winner. They also sold fight and specialty ribbons and they decorated the halls for special occasions. They sponsored the junior high coronations and planned each

homecoming assembly. During the weekly assemblies, individual ribbons were awarded based on school spirit and enthusiasm. Awards were also given to the most spirited teacher.

# Cheerleaders Receive Honors

The 1983-1984 cheerleaders were a very high spirited enthusiastic group of girls. They started working out routines in May for the upcoming football and basketball seasons. In July the girls attended Camp Shamrock just outside of Eufaula. The

cheerleaders received recognition by winning top honors at this camp. The girls competed with other squads from Oklahoma, Kansas and Texas. As a result, the cheerleaders were eligible to compete in the National Cheerleading championship in Dallas, Texas, in

December. Due to bad weather, the trip was cancelled and the girls were unable to compete. As a fund raiser and a spirit booster, the cheerleaders sold school jackets this year.

# HJH Cheerleaders Boost Team Spirit

The junior high cheerleaders became very active during the '83-'84 year, not only by cheering at games, but by also getting involved in school activities and pep assemblies.

The cheerleaders worked with the

student council by sponsoring various activities such as a Mr. Legs Contest and door and locker decorating contests. Also a spirit chain contest was held which raised over \$350 for the needy at Christmas.

The cheerleaders were ready for the year after returning from camp with various awards and trophies and it showed as they transferred their enthusiasm throughout the year to each member of the junior high student body.

Once upon a time by the hills of Tulladega 'neath the southern skies, the city of Henryetta proudly opened her first school. Ever since then, there has been ATHLETICS for the boys such as football, basketball, baseball, tennis, track and golf. Only recently, have wrestling and cross country been added. The girls were not allowed to participate in sports until much later. In the last two decades, girls were introduced to basketball, softball, tennis and track. The Henryetta High School athletes have always been proud of their abilities and have shown it in the sports they perform.

# Hens Set Record, Miss Playoffs

For the second time in his four year reign at Henryetta High School, Coach Bill Holt has successfully lead the Fighting Hens to a victorious season of 6 wins and 4 losses. After defeating the Okemah Panthers, the Hens had won their 5th straight game

in a row, tying a record set in 1967. The next week was to be disappointing one for the Hens having their winning streak broke by the 2-A State Runner-Up Bristow Purple Pirates. The Hens then lost their next two games eliminating them from any

playoffs. The Hens did however win their final game of the season against Checotah. The Hens will be missing some good athletes as well as some team leaders as they will graduate in May.

# Freshmen Have Undefeated Season

The freshman football team of 1983 had as good of a season as hoped for by Coach Kent Lackey, with an undefeated season consisting of seven wins and no losses. The mighty frosh had a scoring average of 24 points per game and only gave up an average of

5.4 points to their foes, giving the Chicks confidence for their high school years ahead. The team consisted of 14 players and of that 14, there was only one eighth grader who achieved a starting position on the front lines. The freshmen this year

have been a hard working bunch and have been dedicated to giving every game their upmost attention toward achieving their major goal of winning every football contest.

# Eighth Grade Has 5-3 Season

The Eighth Grade Chicks of 1983 went into the season with an undefeated mark of 9 wins and no losses from their seventh grade year. The Chicks won two more games to add to their undefeated mark, until the Beggs Demons showed them their

first loss in two years. But that didn't dim their spirit. They continued working hard, and all of them were outstanding players. This proved that hard work and patience were both needed to be a successful football team. One of the most exciting and

challenging games was against the Seminole Chieftains, in which the Chicks beat them by a score of 6 to 0. This win gave them the boost they needed to finish the season with a 5-3 record.

# Seventh Grade Make Improvements

A 2-3-1 record may look bad on paper, but in reality, many good things were accomplished through the course of this season. "We improved immensely in passing, receiving, blocking and tackling," stated Coach Granville Chandler. He also com-

mented, "That improvement in overall football technique and the fact that everyone got to play and have fun were the high points of the season. The team consisted of 24 outstanding players working together for success and maintaining an excellent attitude

while doing so." This diligent work was not in vain because this year's seventh grade football team has laid a firm foundation on which to build a fantastic football team in the years to come.

# Cross Country Sponsors 1st Meet

At first glance, the Cross Country team's record looks very dismal. But when their competition, larger 4A schools, is considered, they held their own quite well. When asked what the high point of the season was, Coach Dutch VandenBorn stated, "The high

point was the Henryetta Invitational Cross Country Meet which was the first meet held at and sponsored by HHS." The Henryetta meet consisted of a 3.1 mile run through Nichols Park. At the regional meet, Kent Jeffers and Perry Tolbert placed 24th

and 26th place respectively in a field of over 100 entrants. Since the team will only lose two runners to graduation, the future looks bright for Cross Country at HHS.

# Hens Record 17-10 Season

The Fighting Hens had a very successful basketball season this year with a record of 17-10. The Hens were led by senior standouts Troy Aikman, Daren Lesley and Alan Spangler. With the help of hot outside shooting by junior guards Paul Patrick, Clifton

Randall and Brian Woodliff, the Hens had a winning season. The Hens won their District this year by edging out a tough Morris and Eufaula team both in close games. The Hens went to Regionals to play three games before being eliminated by Eufaula.

The 17 wins this season were as many wins as any other Hen team has ever had. Although the team did not make it to the state playoffs, Coach Ryal and the Hens were pleased with season.

# Lady Hens Boast 19-8 Season

The Lady Hens boast a record breaking team for the '83-'84 year by finishing their season with a 19-8 record. The Hens had a long season and worked hard as a team which shows in the final winning record. The success of the 28 member team is

evident in not only many regular season wins but also tournament wins. Henryetta placed first in their conference and second in the county tournament. At districts, which were played in Henryetta, the Hens delighted the home crowd by winning

first place. The Lady Hens then went on to Regionals where they were runner-up and qualified for Area. The Lady Hens ended their season with the most successful record in Henryetta's history.

# 9th Grade Has Trying Season

This year's freshman boys basketball team compiled a 3-11 record. Coach Kent Lackey stated, "The ninth grade boys did not have a successful season in the win-loss column, but they did work on skills that might enable them to improve their win-loss record in

high school." The team consisted of 11 members. The freshman girls team vastly improved through the course of the season. The team played very good defense. The lack of scoring power, however, was the reason the team did not win very many of their games.

This is evident in the 2-9 record posted by the girls. Coach G. D. Reese commented, "If the girls continue to work, they will make good high school players."

# 8th Grade Has Fair Season

In eighth grade boys basketball, defense was the name of the game. "This year's team took a giant step in establishing pride in basketball defense," stated Coach Granville Chandler. At the Schulter Tournament, the team lost its first game

but rebounded to sweep their next three to win the consolation bracket. The boys finished with a 5-7 record. In eighth grade girls basketball, learning was the name of their game. The girls learned many fundamentals throughout the year. Among these

were learning how to use the man-to-man defense. Coach Ish Kaniatobe had nothing but praise for his team. "The team showed a lot of hustle and worked very hard." The girls finished at 6-7.

# Seventh Grade Gains Experience

The seventh grade boys have had a tough year, but have made good improvements in their basketball skills. There are about 10 to 12 leaders on the team who have shown a lot of potential. The girls have had a good season and have shown good

fundamentals in games as well as practice. The girls played as a team and had 28 girls to come out for the sport. They rotated suits so each girl could play. The coaches played 14 girls per game so that each girl could gain experience. The players finished

the season with 3 wins and 4 losses but could have won more games if they would have left the starters in. All in all, both the teams did well and learned a lot about responsibility.

# Young Wrestlers Help Team

The Henryetta High School Wrestling Team started the season early to be ready for the tough schedule they had ahead of them. They had strenuous practices and did many drills to get them better prepared. The team started slow with the young team on

the roster but became experienced and pulled through in some tough duels. The team had many accomplishments this season such as the Wagoner Tournament in which the team did some of their finest wrestling of the year. The team also swept the Bethel

Triangular by defeating Bethel and Plainview. The Hens placed 5th at the Conference Tournament but unfortunately at the Regional Tournament there were no state qualifiers.

# Young Wrestlers Have Good Season

The HJH wrestling team had a very good season when considering that the team was made up primarily of 7th and 8th graders. The team finished the season with a dual record of 7-7-1 but could have finished much better if the freshmen weren't filling holes

for the high school team. The 7th and 8th graders came through on several occasions to win some big matches. Coach Doug Rial is expecting this group to have an outstanding season next year. The team only wrestled in one tournament, the Maverick

Conference Tournament, and placed 4th out of 12 teams behind Poteau, McAlester, and Wagoner. This team worked really hard and has the potential to become a great team in the future.

# Golfers Lack Consistency

Golf is a game that requires both mental agility and physical prowess. Although the final record shows our team displaying these qualities more often than not, being consistent with this good play, however, was a problem. "We didn't play consistent

enough all year to make it to state," commented Coach Rick Enis. He went on to say, "I feel that we could have been more consistent if we had played more." The high school ended with a 15-11 record and third place at conference. The junior high team

is dominated by seventh and eighth graders. These golfers go out on their own to practice and improve their game. Coach Enis believes their future is bright in high school golf.

# Softball Lady Hens Have Even Season

Lady Hen softball saw a tough schedule the season of '83-'84. They met some challenging teams but continued to work hard as the season moved along. Although the team did not reach the expected outcome, they did end the season with an even 7-7

record. The team mainly consisted of senior starters who transmitted experience to the team along with energy.

Outstanding players for the Hens were seniors, Sheri Palmer and Laura Smith, and junior, Misty Bussey.

Sheri has been a four year starting pitcher for the Hens while Laura led the team with a .571 batting average. Misty Bussey also led the team with 46 stolen bases.

# Track Teams Show Improvement

The junior high track team has had a rainy season this year. The 7th grade girls meet in Henryetta had to be cancelled on account of the weather. The teams were not able to practice as much as they would have without the bad weather conditions,

but they still pulled out of it with a good record. Coach G. D. Reese stated, "They are good runners and are improving every track meet." Outstanding tracksters, Debbie Osban who competed in the broad jump and hurdles, Sandy Goodner who threw

the shot put and Amy Dodge who competed in the high jump have won medals at every track meet. This year's track teams were hard workers and will be good in high school if they stay with it.

# Weather Dampens Tennis Season

The junior high boys and girls tennis team are both young teams. A very optimistic coach, Mr. Doug Rial commented, "They are all hard workers and will become very good tennis players as they gain more experience." The girls team played

very well. The 14 member girls team ended the season with a winning 4-2 record. The boys are a year away from being a competitive team, although they have progressed throughout the year ending the season at 0-6. The tennis teams have had a rainy season

this year and many matches were not rescheduled. Henryetta held its annual tennis tournament this year and the teams went to seven out-of-town matches ending the season April 26.

# Boys Have Smashing Season

The Henryetta High School boys tennis team had a good season with a winning record of 5 wins, 3 losses and 4 ties. The boys had a tough schedule playing mostly 3A and 4A teams, but they proved to be strong by defeating the higher ranked

schools. The team was made up of five returning starters from last year and were considered a great asset. The boys started the season playing in usual dual fashion but changed to tournament style play as the end of the season approached. The tour-

nament style team was a more solid team than the regular dual team and thus enabled the boys to make strong showings against some tough teams. The team had good players but there is still room for growth.

# Girls Have Memorable Season

The Henryetta High School girls tennis team started slow this year, but toward the end of the season, they came on strong in the Regional and State Tournament. At the Regional Tournament, the girls finished 2nd behind the eventual girl state cham-

pions Monte Cassino which was quite an accomplishment. At the State Tournament the team finished 3rd. At the start of the tournament things looked good for the girls as everyone won her first round match. However, they ran into a tough second round

and were eliminated except for the number two doubles team. The number two doubles team of Melanie Beaty and Vicki Chancey lost in the semi-finals but rebounded to claim 3rd place.

# Intramural Sports Benefit All

Intramural games, played mainly during the lunch period, allow everyone to exhibit his athletic ability. During the fall volleyball tournament, 13 teams vied for the title. After several come from behind victories, Miss Joyce Jenkins' "Annual A's"

were crowned champions. In the basketball division, 14 teams attempted to claim the title. After the dust had cleared, Mrs. Jean Froman's team, "Froman's Fighters", achieved its goal of first place. The May Day Play Day team title was up for grabs

most of the day. In the end, however, Ms. Pat Morton and Mr. Jim Pearce's team, "Pearce and Morton Salts", edged out a four point win in the half day affair. Two teams tied for second place.

nce upon a time by the hills of Tulladega 'neath the southern skies, the city of Henryetta proudly opened her first school. Throughout the years, the PERSONNEL have helped students to learn and grow. Since the beginning of our school, the faculty has been teaching basically the same subjects. Even as early as 1922, the faculty offered the students history, English, mathematics, business training, physical and domestic science, music, athletics and art. When our school first opened, there was no support personnel. Now we have cooks who prepare our lunches, custodians who keep our school looking nice and bus drivers who take students to and from school. All of these people are important in maintaining our school.

# Board Governs School

The Board of Education is a policy-making body. All actions must meet standards set by the state and federal law and regulations set by the State Department of Education and the U.S. Department of Education. Board activities include: approval of expenditures, sales construction and maintenance, approval of personnel action, legal action, authorizing school elections and taking bids on materials,

bonds and insurance. The Board of Education consists of five members chosen by voters on a school wide non-partisan ballot. Individual members, who serve without pay, are elected on a staggered schedule for terms of five years. Only the five elected members may vote on issues. To conduct official business of the board, there must be a quorum of three members present.

# Administrators Perform Many Duties

The school year 1983-84 will be remembered as the year of the "budget crisis". While the school budget was not cut the proposed 16%, it did receive a lower 3 to 5% cut from 1982-83. In dealing with the budget cuts, an additional responsibility was placed on the shoulders of our school administrators. Our administration is divided into three separate areas: the superintendent, the administrative

assistant and the principal. The superintendent must formulate policies, plans and programs for the entire school system while supervising all school personnel. The least visible administrator is probably the administrative assistant. He does, however, have responsibility over a wide range of school functions. These include: lunch programs, custodians, building and ground maintenance and for-

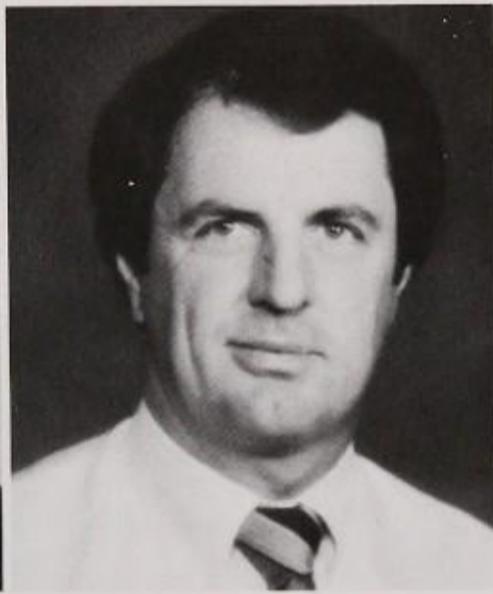

mulating bus routes and stops. The most visible administrator is the principal. His sole responsibility is not to give punishment. He has many more duties that people seem to forget, such as preparing rules, inspecting buildings and enforcing board policies. No matter what administrator is referred to, they all work together to help the school and student become their best.

# Faculty Spreads Knowledge

The Henryetta faculty has always represented a solid foundation on which to base school activities, and the 1983-84 faculty is no exception. They are an active group that supports the students both in school and out. They encourage the students to excel in all areas of academics, in sports and in school spirit. The faculty also has a constant responsibility of sharing their knowledge with the

students. Programs have been started to assist students individually. A gifted program was established to guide those with superior abilities and talents. A resource room was devised to help those students who display a learning disability of some type. Another project started to enhance students talents was a science fair. Some of the catagories at the science fair were chemistry, botany and

Physics. This was organized due to the establishment of the science department headed by Carl Parks. Other departments are business, supervised by Jean Froman; fine arts, led by Jim Pearce; math, chaired by G. D. Reese; Carolyn Lackey supervises English, Social Studies falls under the leadership of Jean Carriker and Jane Woodliff is in charge of the vocational department.

# Support Personnel Enjoy Their Jobs

↓ Bus Drivers, FRONT ROW: Bud Fisher, Morris Dodge and Elmer Jobe. BACK ROW: J. C. Martin, Paula Morris, Allen Auldridge, Joe Merry and Howard Hobbs.

The support personnel this year has a job that requires a big desire to get along with and like the students that depend on them. The cooks enjoy their jobs and find the salad bar an enjoyable part of their daily routine because they like to please the kids in the school and make the cafeteria convenient for everyone's use. The bus drivers have had help from cooperative students riding the bus in maintaining peace and quiet so that the drivers could pay attention to their driving instead of rowdy kids. The drivers have an average of 14 miles to run before the end of the day.

Once upon a time by the hills of Tulladega 'neath the southern skies, the city of Henryetta proudly opened her first school. In the early years of HHS, there were special MEMORIES for all high school students that stand out in their minds vividly. This statement still stands true today as it did in years past. Yearbooks and student pictures can be lost or destroyed, but not memories. Memories such as the Junior/Senior Prom, graduation day and the good times they had as a school kid at Henryetta High still stands out perfectly clear in their minds. These memories that we have now will last forever.

# Queen Shelli Dombek Reigns

It was a great night for a coronation as the weather was nice and the Hens won undisputed over the Okemah Panthers, 33 to 21. With the crowning and the traditional kiss from King Jimmy, Shelli Dombek was officially the 1983 Football Queen. It was a beautiful coronation as it is every year with the flower girl and crown bearer, attendants and escorts too. Every one enjoyed homecoming week as all the classes participated in the activities such as the spirit chain, the poster and the float contest. The week was exciting with each class winning one event.

# Rain Hampers Football Coronation

Looming clouds, torrential rains and absolutely dreary weather is a fair description of this year's HJH football homecoming coronation day. Since Mother Nature would not lend a helping hand, the coronation had to be moved indoors to the Civic Center. "The coronation lacked the pomp and circumstance of a regular coronation," stated Pep Club sponsor Trisha Stringer. Even though the coronation was held indoors, the main order of business was carried out. King Warren Harjo crowned Leslie Woodliff football queen to rule and to reign over HJH.

# Queen Laura Rules Over HHS

The 1983-84 basketball coronation ceremony was held February 10 in Henryetta High School Gymnasium. A pep rally was held that afternoon during sixth hour. During the pep rally, a skit was presented to King Daren and Queen Laura by actresses Sheri Palmer, Kelly Waldrop, Shelley Kaniatobe and Anji Brassfield. The high school cheerleaders saluted King Daren and Queen Laura with a special cheer. The pep rally was ended with the student body singing the Alma Mater. # Tina Stringer Reigns As Queen

It was a day of festivities which HJH basketball queen Tina Stringer won't easily forget. The festivities started with a pep rally to honor Queen Tina and her court which was followed by the coronation that evening. As the theme from Ice Castles played, the attendants and escorts met under the arch and proceeded into the heart formed by JH basketball players. When King Mike Tolbert crowned Queen Tina her reign began. The evening ended as the last song played at the homecoming dance.

# Students Honored On Class Day

May 23, 1984, the day before graduation, was the Senior Class Day Program and Awards Assembly. After the processional, the President of the Student Council Shelli Dombek led the flag salute, and the Vice President of the Senior Class took the roll call. Janet Benton and Andrea Skupien read the prophecies on which the

journalism class had been working. Scholarships were awarded to those going on to college. Senior class president Brad Wion presented Ed Bishop, the junior class president with the Class Key. The senior class panel was presented by Joe McAbee before the recessional.

# Junior-Senior Prom Provides Perfect Image

The prom this year was a very successful one, with approximately 180 tickets sold. The prom was held in the Regal and Green rooms of the Holiday Inn of Henryetta. The junior class worked hard and pleased most everyone with the music performed by

Image. They played some danceable rock and roll and slow music for the dance. The theme this year was "Just You and I" and the motif was blue skies and silver stars with an archway leading over the background.

benediction was given by senior vice president, Daren Lesley. The senior class of 1984 was a very out-going group of students in athletics as well as in academics. In the class 65% plan on furthering their education. This class has left some good memories and will be missed by all.

# Seniors Receive Honors

⇒ Sheri Palmer has been named one of the co-valedictorians for this year. Sheri has maintained a 4.0 average throughout high school. She is active in softball, basketball and journalism. She is a member of the National Honor Society as well as the Oklahoma Honor Society. After graduation, Sheri plans to attend college and major in merchandising.

⇒ Hallie Ruth has also maintained a 4.0 average throughout her high school career. She has been active in speech and a standout on the basketball team. Hallie is the vice president of the National Honor Society as well as a member of the Oklahoma Honor Society. Hallie plans to attend the University of Oklahoma and major in microbiology.

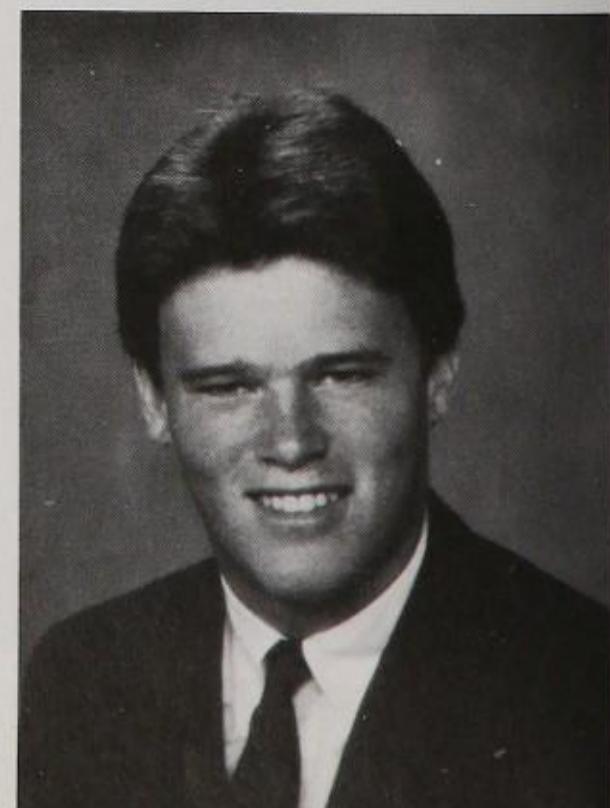

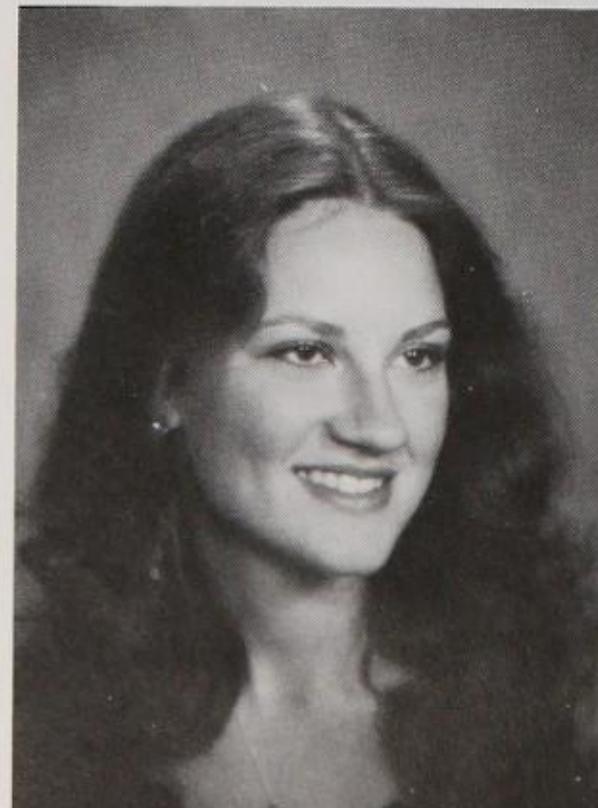

⇒ Brent Rodgers has achieved a perfect four years of high school. He was selected to go to Boys State where he was treasurer of his city. Brent is active in wrestling, annual staff, of which he is editor, as well as the National Honor Society. Brent plans to attend the University of Oklahoma and obtain a degree in metallurgical engineering.

⇒ Anji Brassfield has achieved a 3.97 average through high school to be named salutatorian. She participates in softball and basketball. Anji has obtained membership into the National Honor Society and the Oklahoma Honor Society. Anji plans to attend Northeastern State University and receive a degree in optometry.

⇒ The HHS faculty has elected Carolyn Sweet as this year's Outstanding Girl. Carolyn is the Point Keeper for the National Honor Society and is active in FHA as well as vocal music in which she has obtained numerous 1's at contests. She has also appeared in numerous plays and musicals while at HHS.

⇒ Jimmy Berry was selected by the HHS faculty as their year's Outstanding Boy. He received this honor for excelling in many things and having a good personality. Jimmy is active in football and track as well as being selected to go to Boys State. Jimmy plans to attend the University of Oklahoma.

nce upon a time by the hills of Tulladega 'neath the southern skies, the city of Henryetta proudly opened her first school. To record the school's happenings each year, the need arose for a yearbook. In these yearbooks, **ADVERTISEMENTS** were a special part. The same holds true for today's yearbook. Ads perform an important role in the yearbook's publication and without loyal advertisers, the yearbook could not be produced. This year the yearbook sold 160 advertisements at a total price of \$4,200.00. It becomes quite apparent that without advertising, the yearbook could not hope to survive. Whether these ads are large or small, they all help to produce a good yearbook.

ZAMBON, Sara 28, 55, 98

↑Laura Smith was selected basketball all-state alternate, and Troy Aikman was selected one of four football all-state team members in his position.

⇒Chosen to attend the 1984 boys and girls state were Stephen Palmer, Angie Henry, Greg Graffman, Richard Hooper, Joey Coe, Brian Woodliff and Verna Russell.

↓Speech students Tiffani Stroope and Stephen Palmer represented Henryetta at state competition in women's extemporaneous speaking and humorous duet.

↓⇒Through their efforts at Regionals, Melanie Beaty and Vicki Chaney advanced to state tennis play, placing 3rd.

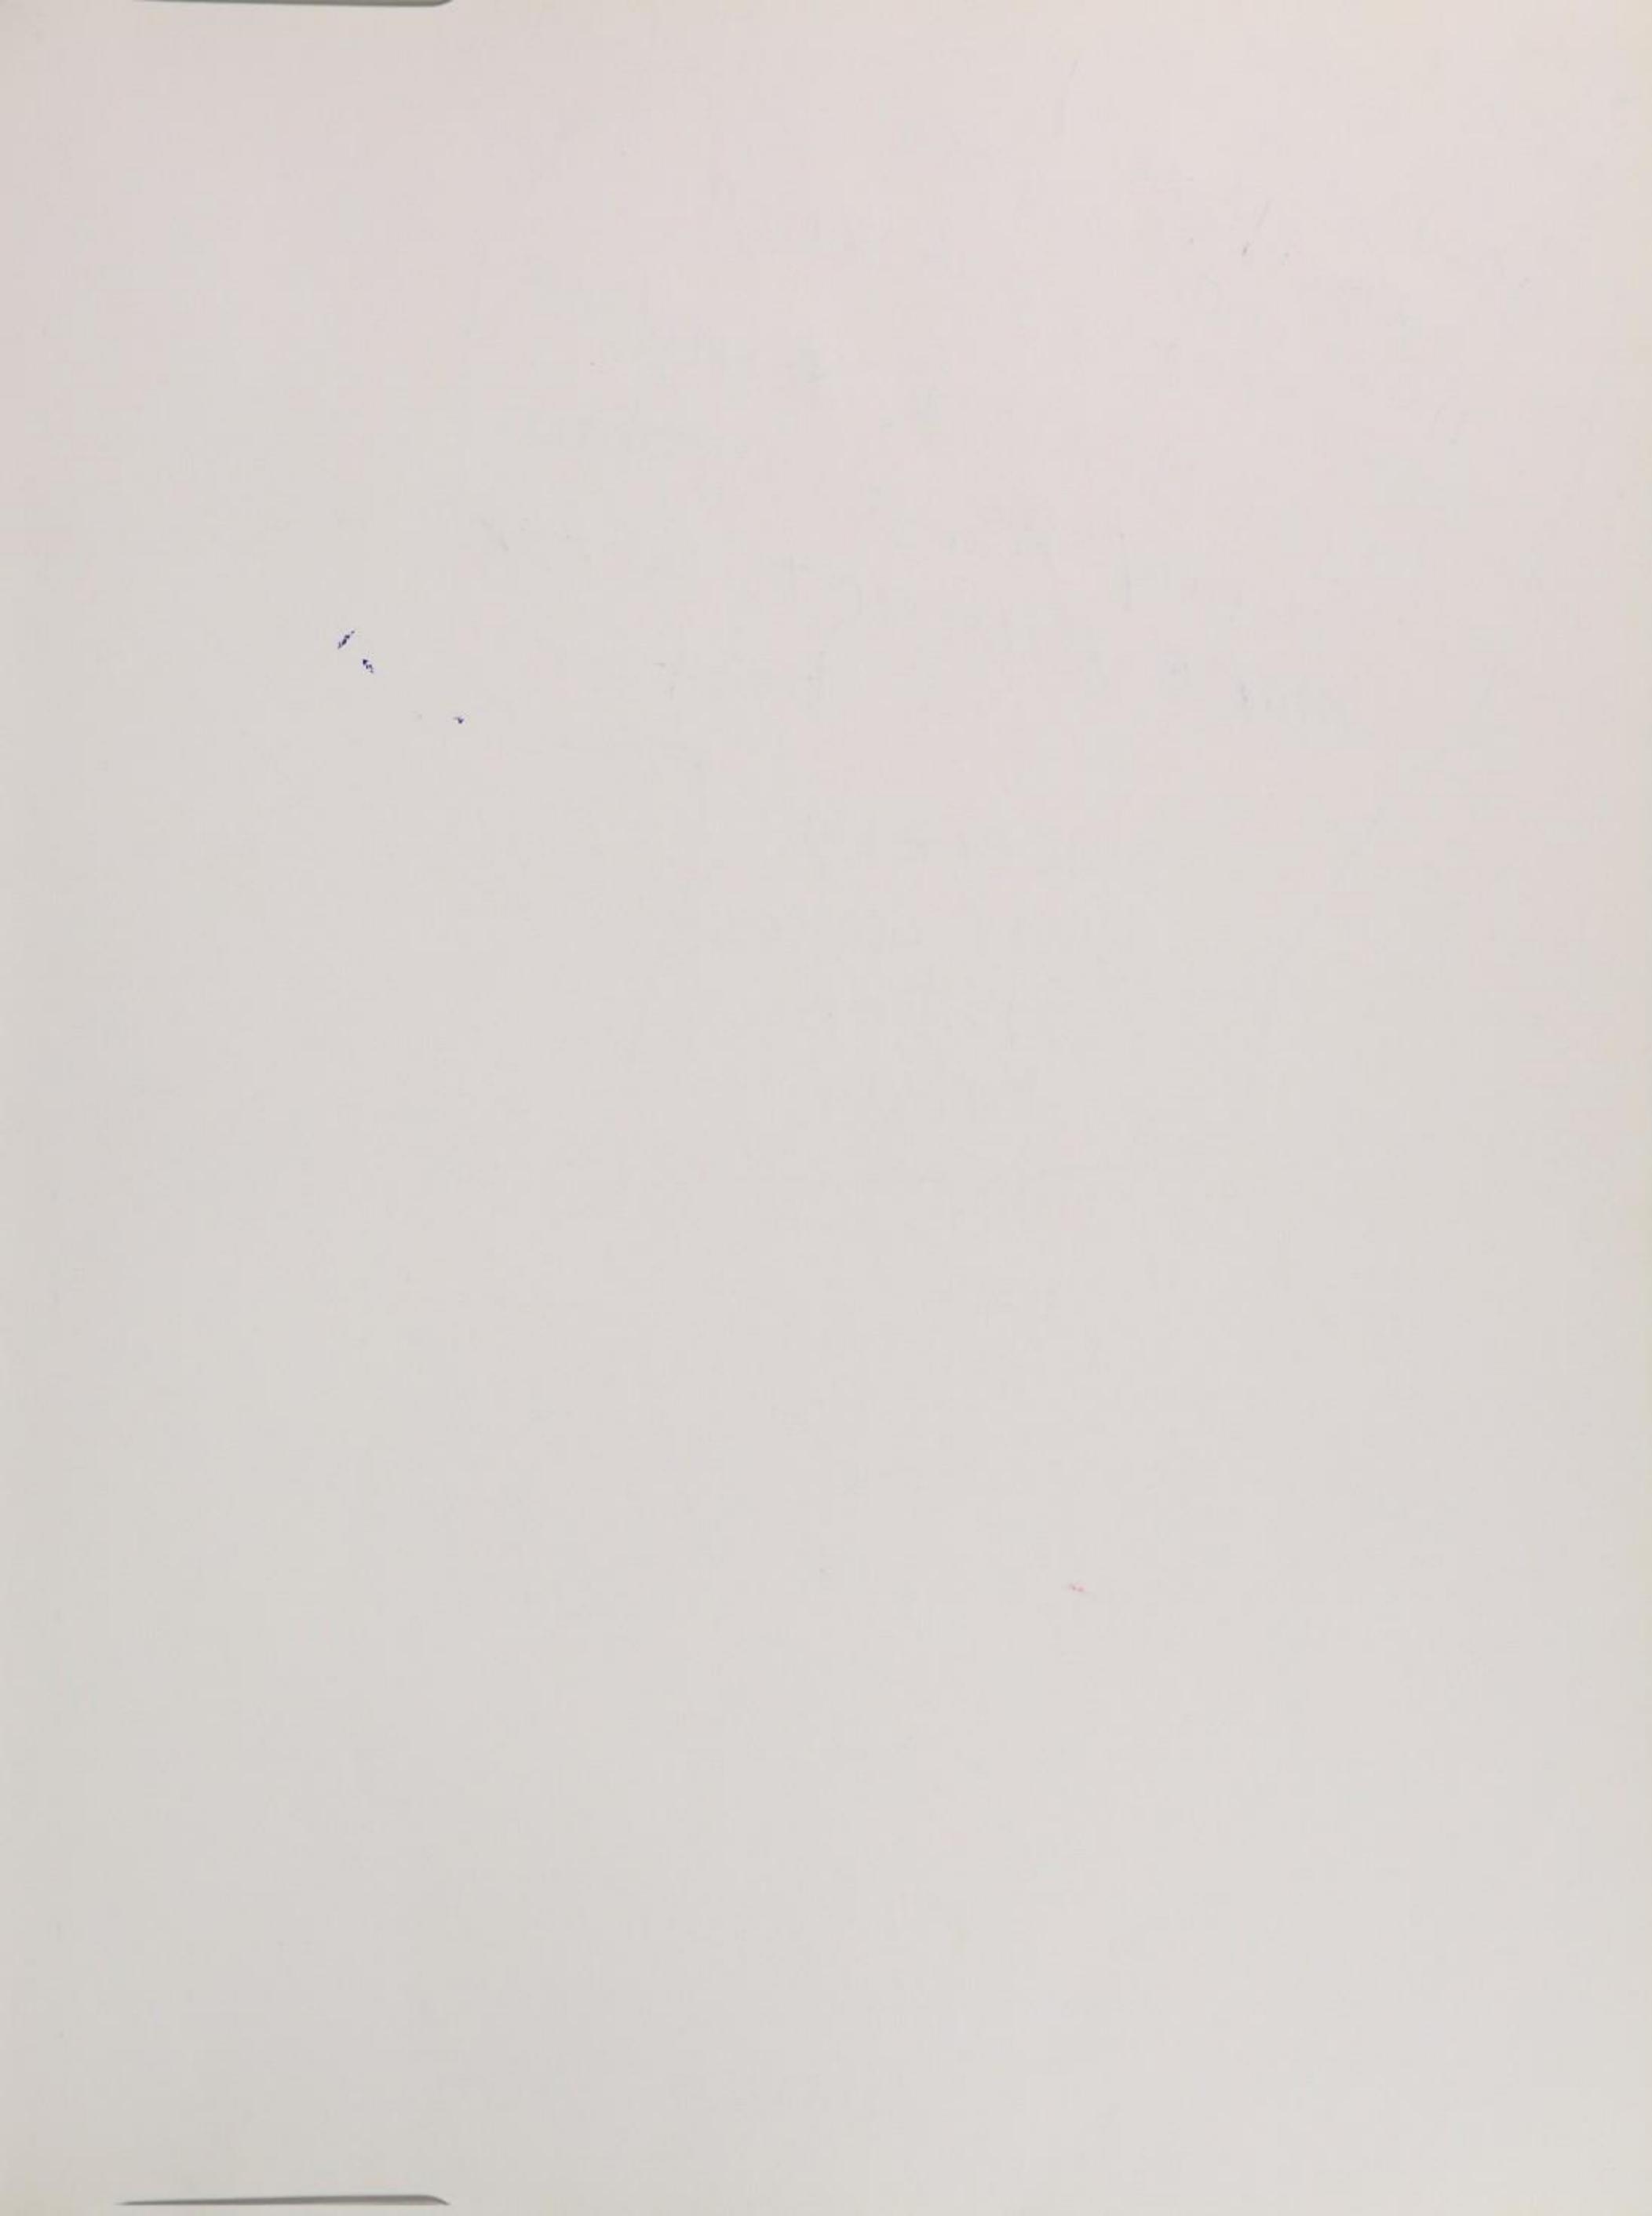

This year, due to leadership from the senior class, has been one of excellent achievement in not only academics but also athletics. Students were a vital part of the speech competition and the scholastic meet held at Ada. The high school football team completed an admirable season that

included 5 straight wins. Both the boys and the girls basketball teams surpassed district play. Spring sports play has been action packed with several teams attending state competition. As a group, the students have used teamwork in order to accomplish the most that was possible.

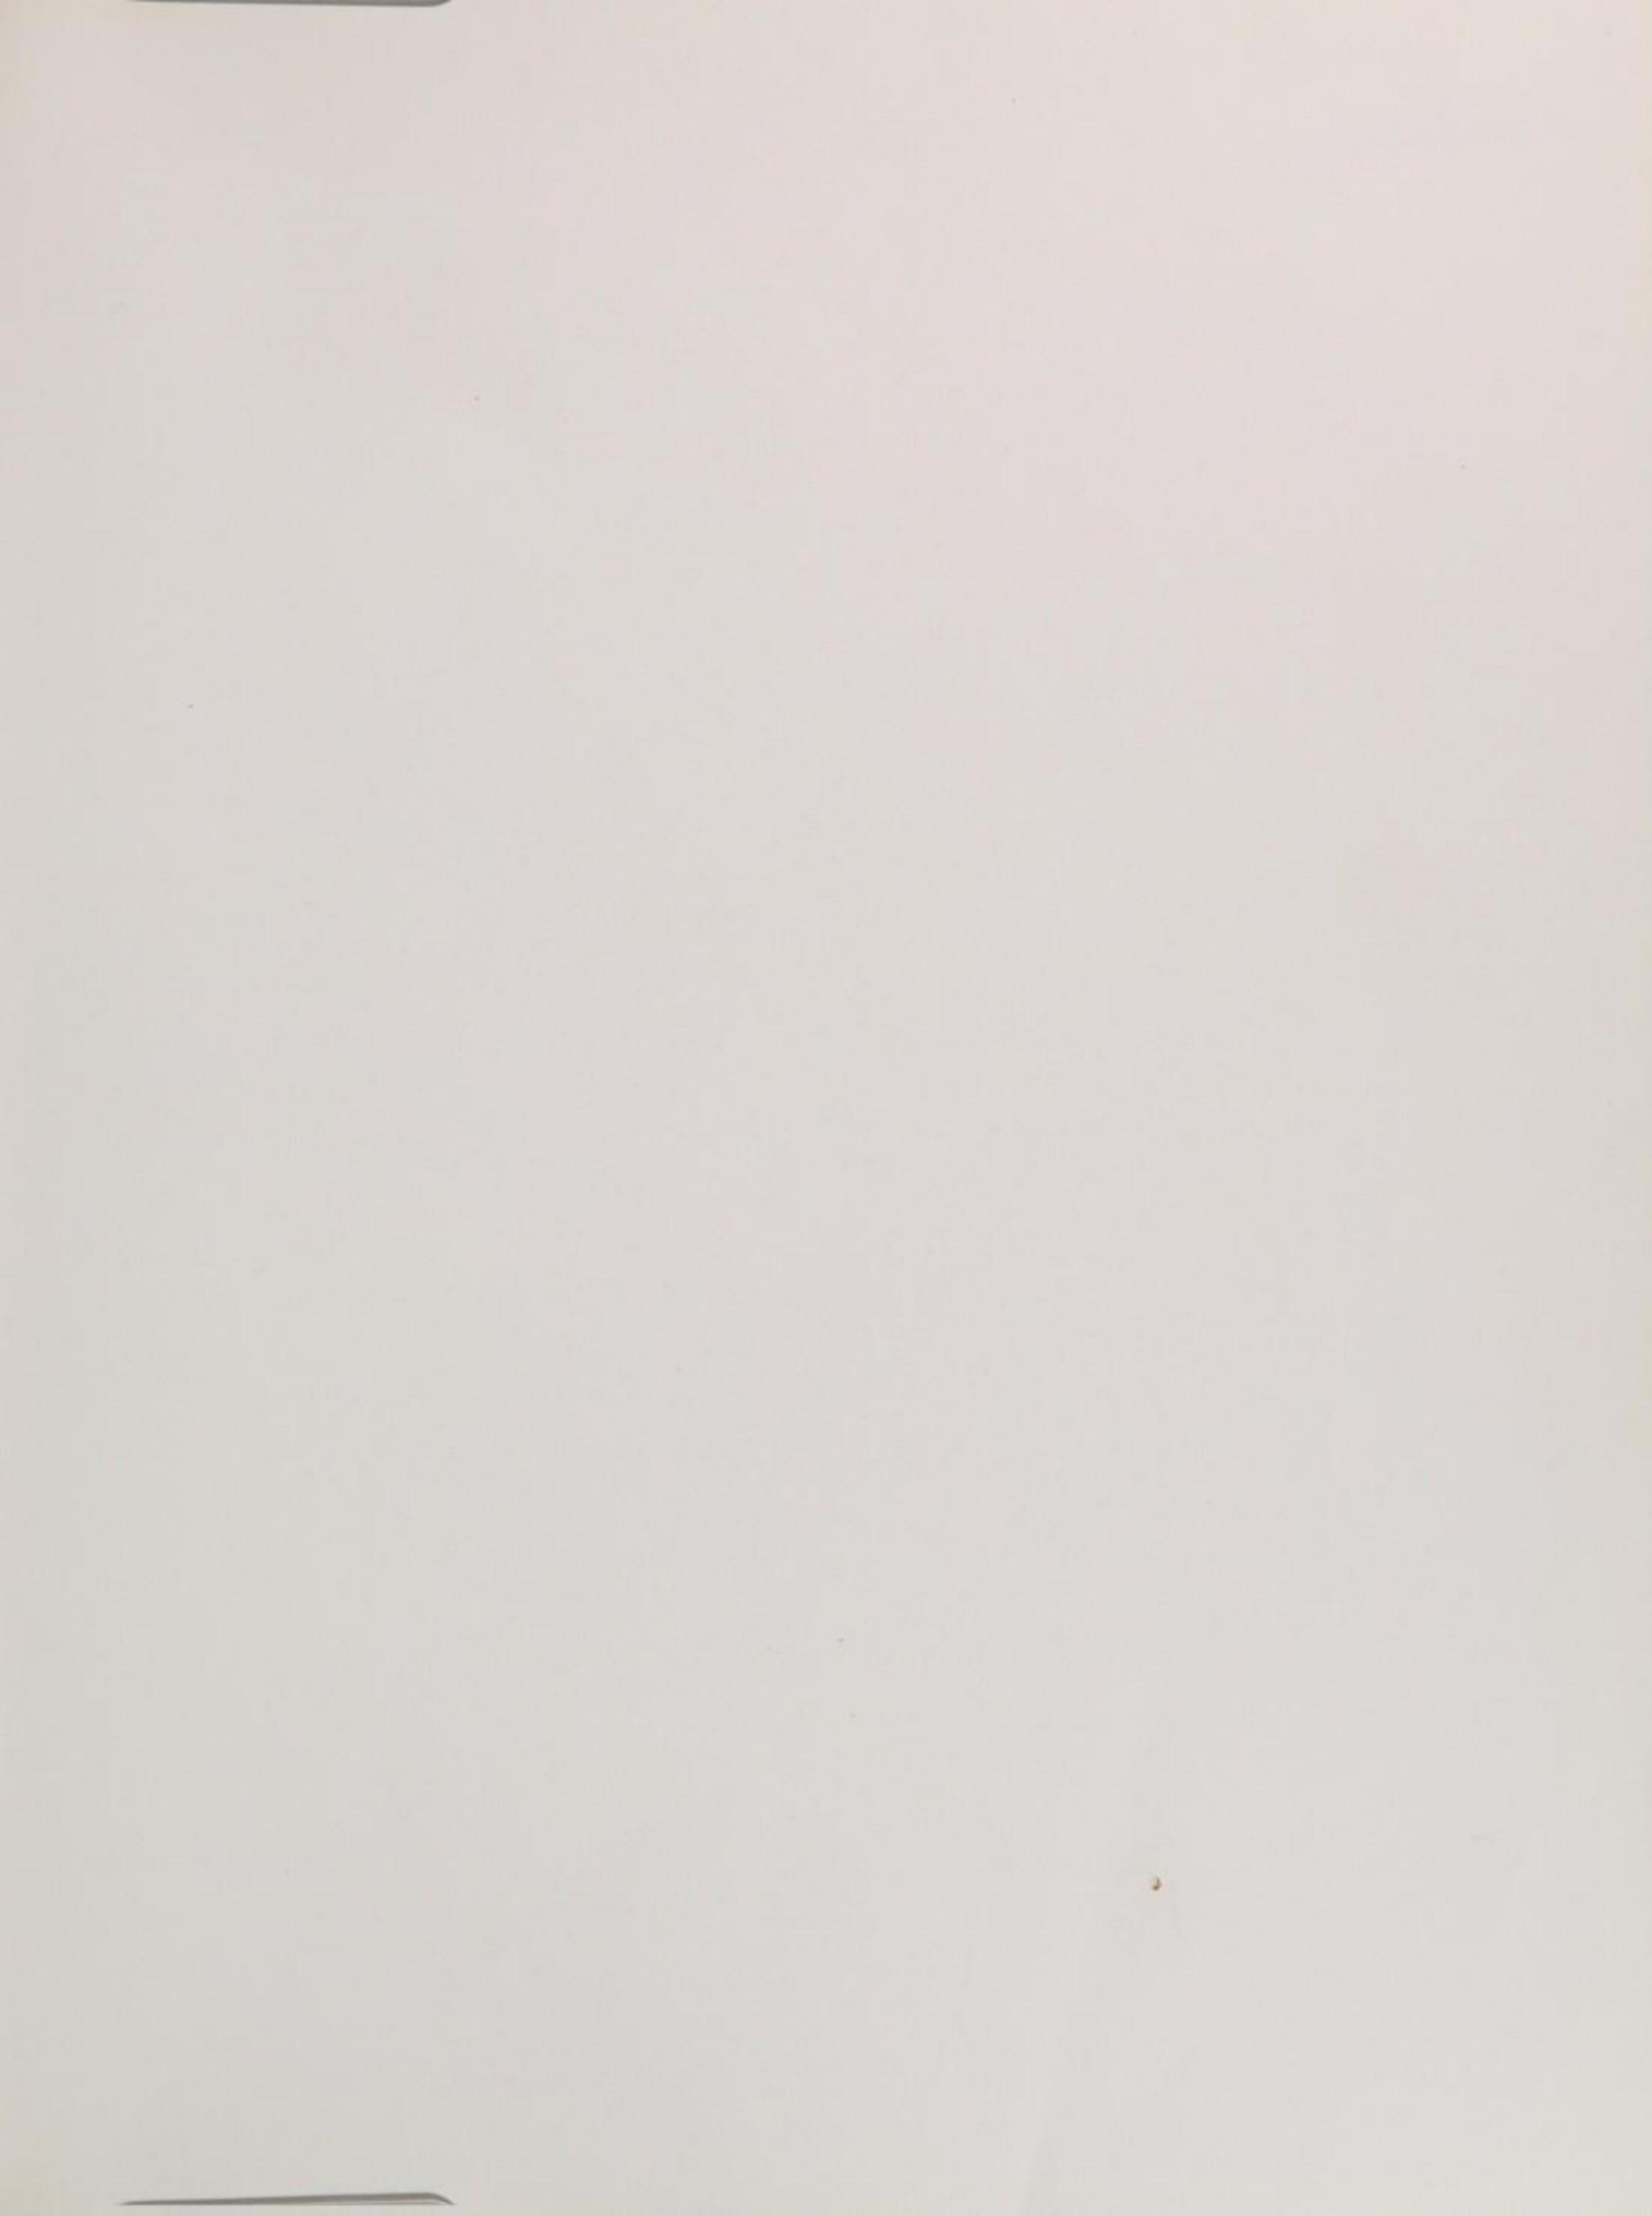

The year has come to a close instilling in our minds the memories of both contentment and tribulation. Because we have a tendency to forget these important facets of the past, there are yearbooks to extract remembrance of these foregone times. The yearbook records, through pictures and copy, the entire school year from start to finish. Set down on paper between the covers is the innocence, adolescence, maturity, unity, defeat and triumph of over 700 participants in the form of students and faculty. Through the efforts of the ten-member staff headed by the advisor, Miss Joyce Jenkins, and the editor, Brent Rodgers, this book for the 1983-84 year has been successfully completed; therefore, allowing us to live happily ever after.

Sandy,  
you're a REAL  
GREAT FRIEND.  
Hope  
friends in the future  
are tied for 15x for  
my best friend for what  
privilege, we'll stay cool  
meatheads go a little ways  
ruleheads fresh sys

You are  
an ok sister in  
good week ball  
soft year. you are  
next pretty but when  
laugh you look kind of  
funny ps. you need to  
make Kim act better.

sincerely  
your coolest  
sister.
